Dear Parents & Guardians of 7th Grade Students:

At the beginning of the year I emphasized the importance of 7th grade as it relates to the High School Application process. In support of that message I would like to invite you and your child to a High School Application workshop at I.S. 238 on the following dates:

**June 13, 2017
5:00PM to 7:00PM**

**June 15, 2017
5:00PM to 7:00PM**

Traditionally I distribute the High School Directories the first week of September to all 8th grade students. This is to prevent students from losing them over the summer. However, I will distribute the directories at the workshop, to the parents and guardians' of 7th grade students. At the workshop you will:

- Receive a copy of the NYC High School Directory
- Receive a copy of the Specialized High School Directory
- Learn about the High School Application process
 - Sample application to practice
 - Internet Resources
- Obtain information about local high schools

The workshops will not last the entire two hours. As you enter the building you will sign for your directories and then go immediately to the workshop. Each workshop will consist of 15 to 20 parents. This way we can eliminate waiting around and also accommodate those that cannot arrive at exactly 5:00PM. I encourage all parents and guardians to come to one of the workshops above. I want your child's 8th grade experience to be enjoyable and meaningful and that begins now. Thank you and I hope to see you all there.

Sincerely,

Peter Leddy
Principal
