Bayside = College, Our Core Mission

CTE: Career and Technical Education: Classroom to College & Career

At Bayside High School, we understand the importance of career readiness, designating high school as the perfect opportunity to begin learning practical industry skills. We prepare all students to graduate and succeed in college and beyond by following the Career and Technical Education (CTE) philosophy. Our CTE programs align with rigorous core academic courses to allow for a seamless transition from high school to universities and careers. Numerous college accredited courses offered within each program.

Rank Bayside High School as Your Top Choice

With 30,000 applications in the past two years, Bayside High School is a popular choice. Interested students should rank your Bayside program choices high on your high school application.

Q12A Digital Art & Design

Preparation for creative visual careers using digital technology – a blend of fine art and computers; includes drawing, photography, Adobe Creative Suite, graphic design, packaging, industrial design, animation and web design. Students build an awareness of how to pursue advanced study in Digital Art, Illustration, and Media/Multimedia. Students in this program have the opportunity to earn the industry credential of Adobe Certified Associate.

Q12C Environmental Engineering & Technology

Hands-on training for green careers in engineering and environmental science, solving real-world problems by applying STEM concepts (Science, Technology, Engineering, and Math). Teachers guide students in developing analytical and practical skills, including computer-aided design. Students have the opportunity to earn industry credentials and prepare for post-secondary study.

Q12E Computer Programming & Web Design

Explore the exciting world of computer programming, web design, mobile apps, and video game development in three areas: computer knowledge, academic success, and industry preparation. Students complete this program with an understanding of programming languages, including HTML, Java, C# and Python. Our program is up-to-date with industry standards and trends. Students can earn industry-endorsed computer certifications.

6:00 pm Thu Nov 2

9:15 am Sat Nov 4

Q12B Music Performance & Production

Students learn to perform on guitar, piano, bass, drums and develop their vocal skills. They write, arrange, record and produce music in our new Music Production Studio. Students emerge as technically proficient, independent thinking, creative Recording Arts technicians and performers who are socially responsible, with business skills required to secure employment and successfully pursue post-secondary study in Recording Arts Technology.

Q12D Humanities & Non-Profit Management

As students develop their writing and presentation skills and become well-versed in social studies and cultural studies, they learn to write grant proposals and to develop, implement, and manage projects rooted in the multibillion-dollar Non-Profit sector by applying the principles of social entrepreneurship. The Program is a natural outgrowth of our student body's organized, charitable endeavors and motivated philanthropy.

Q12G Sports Medicine & Management

Preparation for sports-related careers, including athletic training, personal training, physical rehabilitation and therapy, as well as coaching and management. Students apply knowledge and skills in the areas of Athletic Training, Strength and Conditioning, Personal Training, Physical Therapy, and Sports Management to prescribe exercise programs for a variety of clients. Students can earn nationally recognized Personal Training certification.

Bayside High School Student Life

For over eight decades, Bayside High School has been a school of choice as well as a vibrant community. Bayside seeks to provide all students with valuable, rewarding experiences, preparing them for college and beyond with in-depth, wrap-around student services, a wide array of clubs and teams, and rigorous, college-focused academics. Bayside offers AP and college-accredited courses, providing students the opportunity to graduate with college credits and professional-level certifications. Bayside High School Student Services features fourteen Guidance Counselors. Students are matched to counselors by home languages. Under our whole-child guidance model, guidance counselors lead our students throughout their entire high school career—inspiring them from freshman year and assisting them throughout the entire college application process during senior year.
